

American Twisting Company FSC Controlled Wood Policy Statement

American Twisting Company will adhere to the following policy in support of the Forest Stewardship Council (FSC) requirements regarding Controlled Wood:

American Twisting Company will avoid sourcing and trading in wood or wood fiber from the following unacceptable categories for FSC Controlled Wood:

- a) Illegally harvested wood;
- b) Wood harvested in violation of traditional and civil rights;
- c) Wood harvested in forests where high conservation values are threatened by management activities;
- d) Wood harvested in forests being converted to plantations or non-forest use;
- e) Wood from forests in which genetically modified trees are planted.

This policy statement will be publicly available and reviewed/amended as necessary in order to comply with FSC requirements.
